

Student Caucus of Osgoode Hall Law School

Special Meeting Minutes

18 March 2020 (2:45pm – 2:55pm)

Zoom (Online)

This was a Special Meeting of Caucus which took the form of an Annual General Meeting held after the All-Candidates Debate. It was conducted online given the measures around the COVID-19 pandemic.

CALL TO ORDER (2:45pm)

Jordan: Explained the need for a Constitutional reform. Before, Caucus had a Constitution which did not have any voting records on when it was approved and had no approval date. Therefore, the previous Chair, Adam Veenendaal, decided to draft a Constitution which reflected the current Caucus. This drafting was conducted over the summer by the Director of Communications and brought to Caucus for further edits and suggestions. It was approved 27 November 2019.

Some changes included: Adding section on Diversity, scrapping all bylaws, and clarifying the roles of Executives to better reflect practice

Motion: THAT the new Caucus Constitution is ratified by the Students of Osgoode Hall Law School and becomes the governing document of the Student Caucus of Faculty Council.
