## Land Acknowledgement

*York University recognizes that many Indigenous Nations have longstanding relationships with the territories upon which York University campuses are located that precede the establishment of York University. York University acknowledges its presence on the traditional territories of the Anishinabeg, Haudenosaunee and Wendat peoples.*

*territory of many Indigenous Nations. The area known as Tkaronto has been taken care of by the Anishinabek Nation, the Haudenosaunee Confederacy, and the Huron-Wendat. It is now home to many First Nation, Inuit, and Métis communities. We acknowledge the current treaty holders, the Mississaugas of the Credit First Nation. This territory is the subject of the Dish with One Spoon Wampum Belt Covenant, an agreement to peaceably share and care for the Great Lakes region.*

## Year Updates

### 3L Updates and Items

- None

### 2L Updates

- Bahar – Library disruptions by undergraduates
  - Armin – inform librarians who will eject loud students
  - Karel – we can think about better signage; although there has been chronic disobedience to signs

### 1L Updates (Alex, Serena, Nathan, and Haroop)

- **1L Updates**
  - Nathan – grades release date transparency
- Suggest to Faculty Council/Admin that the date for grades release ought to be published **in advance**, or at least a **no later than** date, no reason why grading committee cannot meet a couple days earlier
- Significant anxiety/discontent/worry from most 1Ls (at least in my section) about grades release and stress over no grades
- Some people are relying on these grades to determine whether they want to spend effort on the recruit, etc.
- If other law schools can do this (get grades out earlier), no reason why Osgoode cannot
  - Haroop
    - Student presence and unified position on topics being discussed in committee
      - i.e. grading profile
      - grade release date transparency
- Grades Discussion

- Harroop – managing expectations; ambiguity to “on or after 20th”; release when 1Ls don’t have class (set better time to release in order to help students manage their emotions)
- Serena – setting up peer support with release of grades
- Harroop – SC position on standing committees
  - Karel – bring matters to SC to discuss
- Alex – LP and PubCon focusing on Indigenous Issues name pronunciation
  - Students joking about name pronunciation
  - Serena: similar issue in undergrad, Prof took time on how to pronounce
